The free standing sign will use the same colors at Boston College, which consists of a brown mustard color background and maroon color letters. The awning will have a black ground with brown mustard yellow letters. The bottom of the awning will have the maroon stripe.

There will be no letters in the window.

The committee did not vote but was very pleased with the improvements.

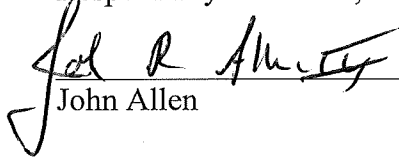

The committee approved the minutes from the June 23, 2015 meeting.

The committee expressed concern over the number of unapproved signs that are currently displayed in the downtown area. Specifically mentioned was a flashing sign and signs that covered the windows. The committee asked the staff to review with the Building Commissioner.

Motion to adjourn. All in favor 5-0-0. Meeting adjourned at 7:30 p.m.

Adjourned.
