

MAYOR'S DRUG ABUSE TASK FORCE

Organizational Meeting

September 15, 2009

Franklin Public Library

Attendees:

Danielle Barker, Joe Giunta, Councilor Bob Sharon, Dave Liberatore, Katy Shea, Melissa Rizzo, Principal Alice Farris, Patty Prescott, Sheriff Hilliard

The Mayor called the meeting to order and offered his thoughts on the purpose of the Task Force, asking the members to introduce themselves and share their thoughts on the nature of the problem and a strategy to combat it.

Sheriff Hilliard suggested that the Task Force might eventually divide into smaller groups with more direct focus. Youth prevention was an appealing option considered by the group.

The next meeting was planned for 6:30pm at a place TBD on Sept 24.
