Signs- looking to get a brass plaque to set in granite for the gazebo. Mike and Krystal are going to obtain prices.

Fundraising- We recapped our fundraising meeting. Talked about Cash calendar. Will be an August calendar. Will sell during the month of July. All prizes need to be turned in to Krystal ASAP---no later than June 26<sup>th</sup> so that she can make the calendar. Sarah will see if Fred Caruso will announce our daily prize and winner. This will help the businesses that donate. Sarah will send out a draft of a letter to solicit prizes from businesses.

Bricks and Benches-

Thus far we had funds collected on 12 bricks for a total of \$600.00. Three groups were looking into purchasing benches- McDonald Family (Middle School PTO would purchase in memory), Class of '49, and the Marceau family.

Ornaments- We were out!!! Yeah! So we decided to order 50 more to have on hand for the celebration, etc. Mike will order.

Future Projects- We reviewed other needs for Odell and also the two other parks in Franklin that are in need of playground revamps...will continue to keep future projects on the agenda.
