A grant was written to NH Charitable for funds for the **fishing piers** at Odell Park. Beck and Belluci is going to do the engineering for the job at no cost to us. Thank you!!

There currently is money to complete the fencing from the Rec. building down to the little league field.

We want to order **blueberry bushes** by April 1st. Earth day is April 22nd and it would be nice to have planting that day and park clean up. Krystal has a quote from Black Forest Nursery. **Sarah will get a quote from Gold Star** (they have already agreed to donate 5 trees to be planted at Odell Park).

Mike has arranged for the prisoners to take down the old fence. The City of Franklin will keep the old fencing.

Prescott Towle has agreed to once again spray the designated areas to cut back on growth.

Surveillance equipment is in and operating.

Brick Sales- We have sold 31 bricks so far. We will sell them at upcoming events such as the ribbon cutting event on May 1st and Community Day, May 8. We need to sell 50!!!

Ribbon Cutting and Walk Event- Scheduled for Saturday, May 1st at 9am at Odell. This is also the kick-off event for the "Make the Move" Walking Guide Challenge. Franklin Savings Bank is sponsoring with beverages and healthy snacks. Buzzy Bee (their mascot) will be present. Sarah expressed that the Chamber has big scissors that perhaps we can borrow to cut the ribbon. **Melissa will send Sarah a list of walk events to post. Melissa is working on posters for the event with Piper Printing.**

Krystal presented a list of upcoming **fundraisers** for Odell and Daniell Park. Great job Krystal for setting this up. Contact Krystal for dates of fundraising opportunities with local dining establishments.
