2013 Choose Franklin Community Day

February 22, 2013

To: The Honorable Mayor, City Councilors and City Manager

Community Day 2013 will be held on May 11 and, once again this year all events will be held at Odell Park. The theme this year is “Volunteers - The Heart of the Community”.

As we did last year, we are requesting formal permission from the Franklin City Council to waive the necessity of vendor permits for this event.

The committee has decided not to include carnival rides this year, but we will have inflatable amusements located on the softball field. Other events will include a parade (at 10 AM), children’s activities, an arts and crafts fair and various businesses and community service organizations as vendors.

We wish to thank the departments of the City who have partnered with us for this event, including parks and recreation, police, fire, library, and municipal services. We would also like to encourage those departments to join with us in displaying the many positive initiatives that they bring to our community by offering booth space at no cost to these City departments.

The work of countless community volunteers has made this successful community-wide event possible for the past eight years. Thank you, once again, for your support.
