Youth Government Week: The Youth and Government week was established here in Franklin over 50 years ago. This program provides a unique civic engagement and service learning opportunity that offers high school students the chance to serve in a model local government process. Students are elected to the various city government positions before kickoff which is set this year at City Hall on Tuesday May 6th at 12:45pm. Tuesday students will get an over view of city government. Wednesday students will begin the task of learning about their new role and responsibilities in the various departments. Over the course of the program students will be given a situation in their respective departments to bring forward at the "Mock City Council Meeting" held Thursday May 8th at 6:30pm graciously hosted by the Elks. Please let me know by Wednesday if you are able attend the dinner/mock council meeting on Thursday so that I may provide the Elks with a headcount for dinner.
