

CITY COUNCIL MEETING

AGENDA ITEM XI

CITY OF FRANKLIN
COUNCIL AGENDA REPORT
City Council Meeting October 2015

Date: September 29, 2015
From: Elizabeth Dragon, City Manager
Subject: **Manager's Update**

Contingency Grant Line Activity: The City received the following in the contingent grant line this month:
\$447.76 Fire Training Grant

Temporary Traffic control orders & school events- During the September Council meeting there was a question about liability related to temporary traffic orders to deal with school sporting events etc. The question was related to whether or not the Chief should designate school officials the ability to temporarily change traffic regulations on school property. It was recommended that the City Manager seek guidance from the city attorney. I did seek guidance and the city attorney does not recommend delegating the chief's authority for temporary traffic orders to school personnel. The police department has specialized training with regard to traffic control measures that the superintendant or other school officials likely do not have.
