RE: *Lakes Region Planning Commission Transportation Advisory Committee (TAC)*

Dear Elizabeth,

In reviewing our records, we discovered that the term of appointment for Franklin's TAC representative, Elizabeth Dragon, is about to expire. Please let us know if she will be reappointed to another two-year term. Membership on the TAC usually includes individuals who have technical expertise in transportation, e.g., public works directors, town planners, administrators, etc. However, anyone in your community who has technical expertise in transportation or an interest in transportation is also appropriate. The decision is yours.

Much of the success and integrity of the Planning Commission's long-range transportation program is due to the involvement of TAC members. We believe that it is important for all Lakes Region communities to be represented on the TAC, and encourage you to appoint a representative, and an alternate, to represent Franklin.

As we look forward to your continued involvement, please send a letter or appointment to us at your earliest convenience.

Please contact Mike Izard at 279-5337, or me, if you have any questions.

Sincerely,

Jeffrey Hayes, MRP
Executive Director
