CITY OF FRANKLIN
COUNCIL AGENDA REPORT
City Council Meeting September 2016

Date: August 15, 2016
From: Elizabeth Dragon, City Manager
Subject: Manager's Update

Contingency Grant Line Activity: The City received the following in the contingent grant line this month:

\$859.11 STEP grant
\$500 Benson's Auto for soccer equip
\$300 Concord Hospital for fire dept
\$500 SAMHSA to host town hall meeting

Metrocast Community Bulletin board: As part of our Metrocast franchise agreement we have the ability to set up a community bulletin board to broadcast over one of our government channels to Franklin Residents. There is a technology grant available with some limited funds each year. I am in the process of scheduling a meeting with Metrocast in October to determine the steps necessary to put this in place. Leigh Webb has volunteered to assist me with this process. Thanks Leigh!

Drug Task Force Coordinator: Angela Lynch has notified us that she will be leaving the position of Coordinator with the Franklin Mayor's Drug Task force. Her departure is due to personal changes in her life. She has graciously agreed to stay on while we recruit her replacement. She has also agreed to assist in training her replacement. We wish Angela well in her future endeavors and remain very grateful for all she has done for the coalition. The position has been advertised in the citizen, concord monitor, NHMA website, and the city's website. In addition it is being circulated among professionals already working in this field.
