Fremont Cemetery Trustees
Meeting Minutes
August 9, 2016

Present: Cemetery Trustees Matthew Thomas, Steve Harms and Cemetery Supervisor Bruce White.

The meeting was held at 4:00 pm at Village Cemetery. The Trustees canvassed the cemetery to select which trees should be pruned and what ones should be cut. They decided that the Cemetery caretaker could prune most of the trees that had branches overhanging the cemetery. Also they decided to cut three trees plus the one that recently fell near the Anderson gravesite on the West side of the cemetery. Trustee Harms would meet with Heidi Carlson, and explain to her our rationale and plan for cutting the trees.

White also showed the Trustees the two piles of sawdust that termites created in the Cemetery storage shed that should be rectified ASAP.

The meeting adjourned at 5:07 pm.

Respectfully submitted,

Matthew E. Thomas, Trustee
