June 6, 2017

Present: Cemetery Trustees Matthew Thomas, Steve Harms, Sexton Bruce White and recording secretary Jeanne Nygren.

Trustee Harms called the meeting to order at 4:00 pm in the basement meeting room of the Fremont Town Hall, this was seconded by Thomas.

Mr. Harms motioned to approve the minutes of the May 2, 2017 meeting as written. The motion was seconded by Thomas with unanimous favorable vote.

Memorial Day Services and Ceremony went extremely well and all cemeteries looked great for the event.

Bruce White presented his data for the Trustees to review on the damage done by the delivery from a vault for \$450.00 as quoted from Blue Sky. After discussion, the Trustees feel this needs to be pursued to cover some reimbursement for the damages done and also to notify the funeral home.

White reviewed his comparison prices for the purchase of a pruner/pole saw to trim the trees at the cemeteries. They are: A Stihl heavy duty steel from Chappell Tractor for \$598.00. Dave's Small Engine in Raymond for a Husqvarna at \$469.00 to include weeder attachment for the pole saw and a brush cutter then a discount bringing it down to \$420.00. A motion to approve the purchase of the Husqvarna pruner/pole saw through Dave's with attachments included for \$420.00 was made by Thomas. This was seconded by Harms. The vote was unanimous 2-0.

Upcoming projects were identified at Hoyt Currier Cemetery on South Road that has a stone flat on the ground needing to be up righted, as well as several stones in the old section at Leavitt Cemetery.

White received a request by Scout Kristofer Adams that is presented to the Trustees tonight of his intention to do the mapping of the cemeteries as his Eagle Scout Project. Adams will organize and update this electronically along with members of his scout troop with assistance from White. He will draw up a formal proposal. A motion was made by Trustee Thomas to accept this project from Scout Adams. This was seconded by Harms. The vote was unanimous 2-0. A draft of this motion will be sent for Adams to present to his Troop Leader that is necessary for him to start this project.
