

5:30 pm Forest Walk, End of Andreski Drive, Glen Oakes entrance

Attendees: Charlie Moreno (Forester/vendor); Sam Harris (Open Space);
Conservation Commission: Leanne Miner, Pat DeBeer, William Knee and Cindy Crane

The meeting was called to order at 5:40 pm. Handouts showing forest management areas, trails, trees of interest, and general forest types were provided and discussed. At 5:50 pm the group started a hike in Glen Oakes to see areas where a selective tree harvest was conducted in 2013. The group observed varying tree canopy and tree types. They also hiked the Smith portion of Glen Oakes to see areas where subsequent tree harvests are planned for this year and at some frequency to be determined based on recommendations in the updated Forest and Wildlife Management Plan. The meeting ended at 7:50 pm.

Respectfully Submitted,

Leanne Miner
