

**TOW OF FREMONT
PARKS & RECREATION COMMISSION
MEETING MINUTES
10 Feb 14**

AGENDA TOPICS:

1. Introduction of new Playgroup Leader

- Karen Wheeler (unavailable - no one else came in her place)
- Playgroup budget discussion for remainder of 2013/2014

2. Summer Camp Survey

- Christyn will prepare a draft survey to be reviewed by Heidi for copying
- Once we agree on the language we can have Heidi print them for distribution to the school(s)

3. 2014 Budget

- The unused balance for the 2013 year was \$1,471.63
- The budget for 2014 is \$40,386.00
- Selectman voted FOR the \$3,000.00 increase requested to support the 250th celebration, but the Budget Committee ultimately voted it down to last years budget.
- What will we cut to support the 250th or will we still support the intended 5 booths, and "Spirit Nite" etc.

It was determined that we will use our funding set aside for Halloween and Christmas to cover the 250th in the hopes that we can recoup the money or have some excess funds by Fall to support those activities. All agreed that supporting the "CHILDREN'S BOOTHS and a bounce house for the 250th event was a one-time activity we would support.

4. Easter Egg Hunt

- Date: Saturday April 19th
- Location: Ellis School playgrounds? Last year the school location turned out great thanks to last minute quick thinking by Nichole!
- If we use the school – we need to contact them to let them know our intentions
- Egg Hunt order was placed to Oriental Trading

7. Survey to parents who's kids attended Camp Fremont 2013

- Due to time constraints we decided not to survey the parents at this time and would possibly survey them during the summer camp program when they can provide feedback and recommendations.

- We will be sending "pre-registration" requests out to the school to get some early registration. People that sign up for early registration will get 15% off their first 2 weeks of payments.

9. General discussion

- No time for additional discussions.

End of meeting!
