Site walk for Jennifer Stasinis who wants to move her dog boarding, training, grooming, and day-care business to 827 Main Street [Map 2, Lot 93.1 and Lot 93.2]

Ms. Stasinis gave a tour of the property. She showed everyone where the grooming area would be, the dog training space, and the kennel space. There was discussion about heating, A/C, waste, the size of the kennels, and fencing. The fencing would be chain-link and there would be three fenced-in areas. Ms. Stasinis pointed out the well head and where the septic tank is. She has five employees that currently work for her business. Her business is open from 7 AM to 7 PM. There was more discussion about a couple of outdoor lights and snow clearing. The site walk was adjourned at 6:32 PM.

Respectfully Submitted,

Casey Wolfe

Land Use Assistant/Recording Secretary
