**Discussion:**

1. Fire Chief Discussion: Chief Beardsley was given an overview of the project. He conveyed his concerns about access to injured trail users, location markers, adequate access to the trail at entry points and gate locks. Each of these areas will be addressed during the design process. It was explained that trail is being designed for an H20 vehicle which should be adequate for an ambulance. Turning around could be problem.
2. Project update:
  - a. Bridges: No discussion
  - b. Wildlife Management Supervisor Pat Huckery will be attending the Rec Path Meeting in May.
  - c. Concom RDA: Work has ceased on this until further information from Pat Huckery is obtained. HS met with Conservation Agent Steve Przyjemski to discuss submission requirements.
  - d. Title work: No discussion.
  - e. Trail Ordinances: RP has a near final version ready for review by town counsel.
3. National Grid meeting update: A meeting is setup for May 9<sup>th</sup> at 1:30PM at the National Grid Offices in Waltham all towns have signed up to participate. JW and Town Planner HS will attend.
