2015 Budget Message

I am pleased to submit my tentative 2015 budget to the Town Board. This is a conservative spending plan which once again stays within the state imposed real property tax cap limit. The Town of Glenville has stayed within the tax cap every year since it was implemented. Once again, we have managed to achieve this result without relying on gimmicks such as new fees on residents or the deferral of required payments to the state retirement system.

For 2015, our adherence to the tax cap brings an added bonus to all town taxpayers: a rebate check from the state to cover the small property tax increase. The overall proposed 2015 tax levy increase is 2.87%. A typical Glenville homeowner outside the village will see a total 2015 town bill increase of \$17.85 which includes all town items on your January tax bill: town general, town outside, highway, water, sewer, and all special districts. A typical village homeowner will see a 2015 town general increase of \$11.87. As stated above, since the Town has again stayed within the tax cap all town taxpayers will receive a rebate check in autumn 2015 that covers the amount of any town tax increase. This rebate is due to state's new Property Tax Freeze Credit program.

The 2015 budget remains true to the principles this Town Board has espoused over the past five years - fiscal restraint, avoidance of unnecessary borrowing, lowering our dependency on use of the fund balance and living within our means. This budget effectuates new cost-effective models for delivery of services, such as animal control and facility cleaning, while ensuring that the jobs still get done right. The 2015 budget again reduces our reliance on using fund balance, which is akin to a town savings account, toward our expenses. For our three main funds – town general, town outside, and highway – the 2015 budget utilizes less than \$580,000 in fund balance appropriation. When this Board was first elected in 2010, we inherited a budget that used almost \$1,400,000 in fund balance appropriation for these three main funds. That's a near 60% reduction in just 5 years.

Our 2015 budget came in under the tax cap despite absorbing an anticipated \$125,000 increase in health care expenses and an expected \$250,000 in accrued leave time payouts, such as sick time and vacation time, to town employees likely to retire in the coming year. These are expenses typically not borne in the private sector. However, for Town taxpayers they are contractual obligations which were first agreed to in labor contracts long ago. We are currently in negotiations with all three Town labor unions and hope to settle shortly on new contracts which provide fair, realistic wage adjustments for employees while mitigating the effect of unsustainable employee benefit packages on Town taxpayers.

We also have two other significant issues to handle in this budget: falling mortgage tax revenues and rising board of election charges. So far in 2014, the number of property deeds filed in Glenville are up 6% from 2013. This is an indication that our housing market is solid. However, the number of mortgage filings, a figure which includes not just sales but also home refinancings, is down 29% from last year. This drastic reduction in refinancings in 2014 is likely due to mortgage rates remaining at near-record lows for a prolonged period. In a nutshell, everyone who could refinance over the past few years has already done so. This problem is not unique to Glenville; it is being felt by municipalities across the country. For us, the result is a reduction in budgeted mortgage tax revenues from \$675,000 in 2014 down to \$525,000 in 2015.

Another cost-driver for 2015 that is wholly outside of our control is a \$25,000 increase in county-mandated charges for the county board of elections. This 7% increase from 2014 is a straight pass-through to the town; we have no say in the matter. The county employs all elections staff, incurs all elections expenses, enters into various elections contracts, negotiates employee wages and benefits... and then sends a bill for 100% of all board of election expenses to its municipalities. In 2015, taxpayers in Glenville will pay \$387,964 to the county for one year of election expense. Making this even worse, the election charges from the county count against the town's tax cap. It should be noted that the county has the option of including these expenses within the county tax levy and as part of the county tax cap. However, the county instead chooses to mandate that the towns and city pay for all county election expenses while providing our local taxpayers with no voice in how this money is spent.

I am proud that, even against this backdrop, we were once again able to stay under the tax cap. And I would be remiss if I did not mention other noteworthy aspects of the 2015 budget:

- We continue our practice of paying cash, instead of borrowing, for daily operational vehicles such as police cars and DPW pickup trucks and vans
- We will provide \$1,000 to the Empire State Aerosciences Museum to host a "Glenville Day" for all Town residents
- We will invest in our technology infrastructure and improve efficiency with the long overdue replacement of servers for the town computer network
- Overall town appropriations across all funds and special districts, exclusive of mandated county election charges, are \$73,000 below the adopted 2014 budget appropriations

I believe that together we have created a 2015 budget that is fiscally sound, operationally effective, and fair to all. We have stayed within the tax cap and ensured that our residents will qualify for a tax rebate check for any tax increase. In closing, I offer my thanks to the Deputy Supervisor, the Town Comptroller, the department heads, and the entire staff for their hard work on this budget and for helping the Board to maintain a fiscally strong town.

Best wishes,

Christopher A. Koetzle
Town Supervisor
