SEARCH AND RESCUE DRILL

At the Sanders Preserve in Glenville, New York

Glenville, NY, August 22, 2017– The Glenville Hill Fire Department and the East Glenville Fire Department, with the cooperation of the Town of Glenville Park Planning Commission, will be holding a Search and Rescue Drill in the Sanders Preserve on Tuesday, August 29, 2017, from 6:00pm to 9:00pm. All areas of the Preserve will remain open to the public during that time.

This drill is being held to ensure the safety of the public as they utilize the trail network in the Sanders Preserve. Using an experienced hiker as a subject, the exercise will help Glenville Hill and East Glenville fire fighters hone their skills in locating and rescuing a lost hiker. Neighbors of the Preserve may see emergency vehicles operating on or near Sanders Road and Gower Road during the drill times, as well as fire fighters hiking within the Preserve and calling out to the “lost hiker”.

For or more information about the Sanders Preserve and the activities it supports, visit www.TownOfGlenville.org.

If you would like more information about the drill or how to join the Glenville Hill Fire Department, please contact Chief Craig Myers at (518) 377-3002 or email Chief@GlenvilleHillFire.com.
