Maple Avenue (CR #29) Alternating One-Way Traffic

Re: **Maple Avenue – Alternating One-Way Traffic**
Maple Avenue (CR #29) at Ronald Reagan Way Curve Realignment Project
Town of Glenville

Please be advised that beginning Tuesday, September 12, 2017 thru Friday, September 15, 2017 Maple Avenue in the Town of Glenville will be reduced to alternating one-way traffic near the intersection with Ronald Reagan Way between the hours of 9:00 am and 6:00 pm, weather permitting. The lane restriction is required to complete the transition from the existing alignment of Maple Avenue to the new alignment. This work is part of the Maple Avenue Curve Realignment project. Expect long delays during this time. Motorists are encouraged to use alternate routes.

Once this work is completed, there will be intermittent lane closures between the hours of 9:00 am to 3:00 pm to complete the final transition work.
