**53 Maple Avenue**

**Site Plan Review (Revised)**  
**Conditional Use Permit -**  
**Recommendation to the ZBA**

This proposal calls for a minor building expansion of 372 sq. ft. to the existing facility in order to expand the housing and treatment area for cats. The property is zoned *General Business*.

**3. Stanley Ducharme**  
**115 Maple Avenue**

**Conceptual (2-lot) Subdivision**

The landowner is seeking to subdivide his 1.8-acre property at 115 Maple Avenue into two lots. The larger 45,280 sq. ft. lot would contain the existing house, while the smaller 25,604 sq. ft. would be a vacant single-family home building lot. The property, located on the west side of Maple Avenue, and beginning about 250 feet south of the traffic signal at Alplaus Avenue, is zoned *Suburban Residential*.

**Development District –**  
**Recommendation (SEQR and**  
**Zoning Amendment) to the**  
**Town Board**

This proposal calls for the establishment of a Mixed Use Planned Development District on a 30.35-acre site. The project would consist of 286 apartments, 33 townhouses, and 44,000 sq. ft. of commercial space. The site is located on the north and south sides of Dutch Meadows Lane, at the western end of the road. One of the commercial buildings is being proposed for the northeast corner of Dutch Meadows Lane and Route 50. The present zoning of the project site is a mix of *General Business* and *Professional Residential*.

**5. Capitaland Realty, LLC**  
**37 and 47 Saratoga Road**

**Revision to Previously**  
**Approved Site Plan and**  
**Conditional Use Permit**

As a condition of the 2014 site plan and conditional use permit approval for the Capitaland Realty, LLC project, the applicant was to consolidate the GMC and Subaru properties. The parcels were never consolidated, and the applicant is now requesting to keep the parcels separate, and to adjust the property line between the two lots to negate the need for any area variances. No new construction is planned.

**6. Monolith Solar Associates**  
**29 Maple Avenue**

**Site Plan Review**  
**(Preliminary)**

Monolith Solar is seeking to install a roof-mounted solar array on the four existing buildings that comprise the Scotia Lockup self-storage business on Maple Avenue. The solar panels would cover approximately 28,000 sq. ft. of roof area, with power produced by the array to be directed to the electric grid. The property is zoned *General Business*.
