Discussion...

Supervisor Koetzle – “This gives the Board an opportunity to look at this position prior to the next election. We had a great opportunity to utilize services of Pat Aragosa in the past. He has done tremendous work for us in the Comptroller’s Office, helped with the budget this past year and we believe that Pat certainly has the education, the experience, as you know he has served as the Village Clerk Treasurer and the Town of Rotterdam Comptroller. I am looking forward to working with Pat in this role. I think there are a lot of things that we can do to redesign town government and this is one position that we can look at now and see what we want to do with that prior to 2012.”

Councilwoman Wierzbowski – “I would like to thank Joan for her long years of service. She has worked very hard to make the position a respectable one and has handled things appropriately throughout her time. I wish her well in her retirement. I would like to welcome Pat in yet another capacity to assist us. I am excited that he is here and I’m looking forward to seeing the different things that we can do to make things more efficient and run better.”

Councilman Pytlovany – “I would also like to thank Joan for her years of service. As an employee with the Village of Scotia I worked with Pat when he was the Clerk-Treasurer in the Village and I am thrilled that he is coming here to the Town to help us out.”

Councilman Ramotar – “I had a long talk with Joan today and she is a staple in the Town. One of the things she mentioned is that she is looking forward to retirement. I wish her the best and welcome Pat, I am looking forward to working with him.”

Supervisor Koetzle – “I too would like to thank Joan for her service. She and I ran together a couple of years ago. I wish her well. She has a well deserved retirement ahead of her.”
