

REGULAR MEETING OF THE TOWN BOARD
TOWN OF GLENVILLE
JUNE 19, 2013
AT THE GLENVILLE MUNICIPAL CENTER
18 GLENRIDGE ROAD, GLENVILLE, NEW YORK

Supervisor Koetzle called the meeting to order at 7:30 PM;

Supervisor Koetzle asked the Town Clerk, Linda C. Neals, to call the roll.

Present: Supervisor Christopher A. Koetzle, Councilmen Alan Boulant, John C. Pytlovany, Sid Ramotar and Councilwoman Gina M. Wierzbowski

Absent: None

Also present were Attorney Michael Cuevas; Jamie MacFarland, Director of Operations; Jason Cuthbert, Comptroller and Kevin Corcoran, Planner.

Town Council Reports:

Councilwoman Wierzbowski – “We are in the midst of our bulk item pickup this week so I would just ask our residents to keep the items out of the road and to check the town website for a list of the acceptable items.”

Councilman Pytlovany – “On June 1st we had our Scotia-Glenville DARE Golf Tournament to benefit the DARE program. It was a nice day and a good turn out.”

The following people exercised the privilege of the floor:

Richard Usas – On behalf Chairman Martin, me and the Town of Glenville Local Development Corporation Board (GLDC) wish to apprise the Town Board the following development. Please note that these actions were consistent with the program outline and time table presented by Chairman Martin at the November 7th, board meeting. The GLDC Board, meeting on June 18th, adopted a resolution establishing the official guidelines and application form. These documents established the procedure and format for local businesses to make applications for loans. Pursuant to a competitive solicitation quotes have been received and awarded and a carrier has been selected for general liability and directors and officers insurance policies. Marshall and Sterling was selected as the agent for the placement of the coverage's and certificates of insurances where both policies are now on file in the corporation records. The sub-recipient agreement between the Town of Glenville and the GLDC has now been executed by the Town Supervisor and the GLDC Chairman. This will enable the transfer of funds to the GLDC consistent with the Community Development Block Grant (CDBG) regulations. By completing these actions we will be able to start making funds available for the acceptance of processing the loan applications by the GLDC. A press release is being prepared to announce the launch of the actual loan program and forms and guidelines will shortly become available on the town website.

The GLDC Board members are pleased to announce the official program commencement and we would like to extend our appreciation to the town board members for their continuous support of the GLDC. By virtue of the town's creation of the GLDC and the GLDC's diligent work to create the loan program, \$565,000 will now be easily injected into Glenville's economy over the next few years. This energy that has been created by the board, the GLDC and the local community will serve us well in the creation of economic development opportunities for the town. Without your support none of this would have been possible.

No one else wished to exercise the privilege of the floor.

Supervisor's Comments:

Supervisor Koetzle shared the following information:

I attended the Pashley DARE graduation today.

Glenridge Road closure starts Friday, June 21st; we have the information on our website.

Town staff met with D2 Marketing Consultants to begin the task of identifying actions in the marketing report for the town commission in 2012. Initial work will primarily involve developing a new website platform for all town economic development information. The existing town website content and platform will be reviewed, with the review to include all content not just economic development so we are going to redevelop the entire website. The printing material will then be produced, an advertising strategy to promote Glenville.

The town will be meeting with Time Warner Cable at the end of this month to continue negotiations on the long expired franchise agreement. Negotiations have been on hold for the last 2 years while a settlement of a pass through fee was in process that ended favorably for us. To the best of our knowledge Time Warner has followed through and taken care of all of the customers who deserve a refund.

The Wolf Hollow Brewing Co. will be up and operating shortly at the W. Glenville Grange. A zoning change was required as well as an examination of many issues associated with a non-traditional proposal use for this property.

The brewers are planning to have special ale ready for the Town's annual Oktoberfest, which will be held on September 28.

The Comptroller released his first of the fiscal stress reports. The fiscal stress test exam and financial and other data were reported by almost 900 cities, towns, and villages across the state. The Comptroller used the data and assigned a stress point based on the municipality's financial condition. These points were then calculated into a stress percentage, the higher the percentage the worse off you are, the lower the percentage the better off you are, less fiscal stress. In this case lower is the number we really want. I am pleased to report that the Town of Glenville received the lowest fiscal stress percentage of any municipality in Schenectady County based on financial items such as fund balance, cash position, debt trend and fixed cost, the comptroller's office assigned us a fiscal stress percentage of just about 3%. Statewide only 130 out of the 900 municipal governments achieved a low favorable score like we did, so we definitely ranked in the top of the municipalities across the state.

The Comptroller assigned a second stress ranking based on the environmental factors. Such as property value, poverty rate and change in population. Those demographic points can be helpful in identifying non-financial trends that might point to future fiscal stress.

We are only one of nineteen municipal governments, of those 900, that were reviewed and received a perfect score. This confirms what we all see around Glenville that we have a solid base and are trending in the right direction. I want to thank the board, our staff and all of the town residents for the part you played in creating this positive result.

We received some not so good news from our health insurance provider. It appears that this Obama Care, that everybody was so excited about, it actually raising rates and now we are looking at what would normally trend at somewhere between 9, 10, 11 percent, we should be planning on somewhere between 14, 15, 16 percent. We do have some more challenges.

WHEREAS, in order to maintain a safe and efficient fleet of vehicles to meet the public safety needs of the Town, the Police Chief wishes to purchase one marked replacement police vehicle to replace a marked police vehicle that has reached its end of useful life; and

WHEREAS, in the absence of a N.Y.S. contract in 2012 for police vehicles, the County of Ontario solicited bids and accepted the lowest qualified bidders for several categories of police vehicles; and

WHEREAS, since the County of Ontario bid was awarded, the N.Y.S. contract was awarded for police vehicles, but said N.Y.S contract award is for a Dodge Charger of inferior engine size and lacking other necessary options as compared to the County of Ontario bid, and

WHEREAS, utilization of N.Y.S. contract Group 40451 – Award 22648 instead of the County of Ontario bid would result in increased cost to the Town of Glenville in order to purchase a similarly equipped base price police patrol vehicle, and

WHEREAS, General Municipal Law §103 (3) permits a municipality to make a purchase through any county within the state pursuant to County Law §408 (2) provided that such purchases are determined to result in cost savings after considering all factors, including service and delivery charges and providing that the purchase can be made on the same terms, conditions and specifications as the county with the contract; and

WHEREAS, the Chief of Police has determined that the Town of Glenville will be able to obtain a 2013 Dodge Charger LDDE48 on the same terms, conditions and specifications as the County of Ontario, which will result in a savings to the Town after consideration of all applicable costs and factors,

NOW, THEREFORE, BE IT RESOLVED, that the Chief of Police is hereby authorized to purchase one marked police vehicle at a total cost not to exceed thirty four thousand dollars (\$34,000), including all necessary equipment, as per utilization of a Ontario County Board of Supervisors bid accepted on March 8, 2012, resolution # 134-2012, Item 6 – Dodge Charger LDDE48 as awarded to Main Motorcar, 224 W. Main Street, Johnstown, NY 12095; and that up to thirty four thousand dollars (\$34,000) for the vehicle be charged to the general fund of the Town Outside the Village budget.
