

Glenville Wellfield Protection Study Group
Meeting Agenda
October 18, 2011
4:00 p.m.

1. Approval of the minutes of the September 19, 2011 meeting
2. Update on Study Group membership and status of Town Board appointment of the Group
3. Discuss recent flooding of the Mohawk River, its impact/potential impact on the Town's water supply, and the merits of developing a database for predicting flooding within the watershed.
 - a. Commendation from Town Board to Tom Coppola and his crew for efforts during and after flooding
 - b. Response of Region IV DEC
 - c. Outreach to Canal Corporation, especially work at Lock 8
 - d. Extent of insurance held by town to cover WTP
 - e. Engaging GECC in process, e.g. notification of "file" available for study
 - f. Additional items for water file including photos taken by WTP crew during flood
 - g. Predictions for the future
4. Identify what the Study Group intends to ultimately produce in the way of deliverables for the Town Board and general public.
5. Discuss what has been learned about the possibility of testing the Town's water for pharmaceuticals.
6. Status of verification effort for monitoring wells in the vicinity of the Town's wellfield.
7. Estimate the "sense of urgency" for various actions using a 1 to 10 scale (e-mailed previously).
8. Determine the "limnology" of the existing gravel quarry ponds adjacent to the wellfield.
9. Items for next meeting agenda.
10. Set date and time for next meeting.
