

**Glenville Wellfield Protection Study Group**  
**Meeting Agenda**  
**September 19, 2011**  
**3:30 p.m.**

1. Approval of the minutes of the July 18, 2011 meeting
2. Quick summary of changes in the Study Group's membership
3. Review and finalize the Study Group's mission statement and goals.
4. Discuss recent flooding of the Mohawk River, its impact/potential impact on the Town's water supply, and the merits of developing a database for predicting flooding within the watershed.
5. Identify what the Study Group intends to ultimately produce in the way of deliverables for the Town Board and general public.
6. Discuss what has been learned about the possibility of testing the Town's water for pharmaceuticals.
7. Status of verification effort for monitoring wells in the vicinity of the Town's wellfield.
8. Estimate the "sense of urgency" for various actions using a 1 to 10 scale (e-mailed previously).
9. Determine the "limnology" of the existing gravel quarry ponds adjacent to the wellfield.
10. Items for next meeting agenda.
11. Set date and time for next meeting.
