Appointments/Public Hearings:

Time	GCC#	DEP#	LOCATION	DESCRIPTION	Name/Owner/Rep
7:30:	11-15			"RDA" filed by Kevin R. Miller to see whether the area and/or work depicted on plan(s) referenced is subject to the Wetland Protection Act with regards to property located 123--125 Burnett Street and known as Map 2.B-25 in the Town of Granby. Project may require an NOI. Mr. Miller was subject to DEP enforcement in May 2009 where DEP fined Mr. Miller for wetland filling. The proposed building project is to provide housing for goats. Proposed work is reportedly 61 feet from wetland and entirely in the buffer and the existing road will not require any improvements or alterations. The area is surrounded by a network of drainage ditches/canals but they have not been maintained in the last 5 years. A site visit will be required to determine if project should be permitted under an RDA or an NOI. Mr. Brooks reports that three building location stakes are in place (request a fourth) and CC will schedule a site visit for Friday 11/18 at 3:30 pm (CC will meet at site). RDA hearing continued to 29 Nov 2011.	K. Brooks, Consultant
