

**FINANCE COMMITTEE**  
**MINUTES**  
Sept. 1, 2009

Meeting called to order at 6:30 P.M.

All members present.

Discussed our position regarding the school building project now that the Select Board has limited any override request they will approve to a tax increase of 10%. We also learned through second hand information that MSBA has changed the project status to Feasibility Study rather than Schematic Design, ostensibly due to the failure of the override vote. Given that there was a greater likelihood that we could support the Article than be opposed based upon the cap and the reclassification, we felt that distributing a position statement at this time might serve to provoke rather than assist voters.

Motion made, seconded and approved unanimously to approve the minutes of the Aug. 25<sup>th</sup> and Aug. 31<sup>st</sup> meetings.

Motion made, seconded and approved unanimously to adjourn at 8:45 P.M.

Respectfully submitted,

Robert Glesmann, Clerk
