

**FINANCE COMMITTEE**  
**MINUTES**  
March 7, 2011

Meeting called to order at 7:30 P.M.

Scott Wilson absent.

Met with the Board of Selectmen and School Committee to discuss how to proceed now that new SOI's have been submitted to MSBA. There was some discussion whether the primary project - East Meadow – could be changed. It was generally agreed that more outreach to the community and agreement between all committees is needed if any override is to be approved. A number of questions were raised and an attempt will be made to follow up with MSBA for answers.

Motion made, seconded and approved unanimously to adjourn at 8:20 PM.

Respectfully submitted,

Robert Glesmann, Clerk
