Met with Michelle Turgeon to discuss the proposed budget for the Parade Committee

Met with Jim Pietras and Emre Evren to discuss the school budget finalized and presented to the public. The savings from the reduction of one wave of busses is only an estimate at this point. Even though the published budget does not jibe with the shortfall, they are certain that the shortfall is accurate. They are asking that the shortfall of \$178,072 be funded and that the savings in bussing be added to the net school spending permitted. They feel that there is too little time to develop a successful override this year but that one will be necessary next year. They hope to be able to make some other changes to improve the financial outlook.

Motion made, seconded and approved unanimously to adjourn at 9:50 P.M.

Respectfully submitted,

Robert Glesmann, Clerk
