The polls opened at 7:00 a.m. and closed at 8:00 p.m. This was the first election to be held at the Granby Jr. Sr. High School. The polls were moved from the East Meadow School due to the reconstruction on the school building. The High School gymnasium is now designated the polling location and will remain there until further notice.

There were 581 registered voters that came out to support their town and candidates, 27 of these voters voted by absentee ballot. There were no provisional ballots processed.

There was one contested race for the Select Board position, and one ballot question. The ballot question was an Underride for \$30,000. An Underride is when a vote is taken and money will be reduced from the real estate, personal property taxes.

The reason for the Underride was the landfill contract was up and the contract was renewed \$30,000 less than the previous contract, therefore, a vote must be taken by the voters in town to approve to reduce their taxes.

This passed and the resident's property taxes will be lower beginning July 1, 2017, by approximately one nickel (.05 cents) per thousand, that being said a house worth \$220,000 will have their taxes reduced by approximately twelve dollars (\$12.00).

The percentage of voters that voted in this election was 13%, as of May 15, 2017, the town had 4,573 registered voters, and 400 of these voters were considered inactive voters.

I certify that all ballots cast for candidates in this Annual Town Election held on Monday, May 15, 2017, have been counted and recorded in accordance with the law.

Respectfully submitted,

Katherine A. Kelly-Regan
Town Clerk, CMMC

To note: Any voters who are listed as an inactive voter and choose not to vote, answer their census, sign nomination or petition papers, or inform the town clerk's office on their current residency will be eliminated from the voter registration rolls after two Biennial elections or four years have gone by without any activity.
