Bruce Firger  
John Katz  
Christopher Lamarre, Principal Assessor

Meeting called to order at 1:45 p.m.

1. Minutes:

Motion: John Katz, to accept minutes of December 28, 2011

Second: Bruce Firger

Vote: 3/0

2. Old Business:

The Board received a memo from Fire Chief Harry Jennings regarding an error made in the number of hours an individual was credited for the senior work-off program. Chief Jennings originally reported 18 hours of work but the total should have been 44 ½ hours. He is requesting the Board to approve the balance of \$212.00, 26.5 x \$8.00 per hour.

Motion: Robert Guidi, to approve additional work-off amount

Second: John Katz

Vote: 3/0

3. New Business:

The Board has received, for the first time, an application for the elderly exemption from a widow. She did provide the required documentation. From a local bank she had a form 1099-INT totaling over \$400. She stated that this was her son's account that had her name on it. Since the interest was reported by the bank in her name, she would have to report the amount in the account and that would bring her over the asset limitation.

Motion: John Katz, to deny

Second: Bruce Firger

Vote: 3/0

4. Executive session: Real Estate Abatements

Motion: John Katz, to go into executive session to discuss abatements and not return to regular meeting.

Second: Bruce Firger

Roll call vote:

John Katz, yes

Bruce Firger, yes

Robert Guidi, yes
