Old Business: December 3, 2013 ATB hearing in Springfield on the FY 2013 Thomas & Anne Schulz case. Scheduled is an appointment for inspection for their FY2014 abatement application.

New Business: Berkshire County Regional Planning will be updating our maps & would like to add the measurements to parcels. May have to have to put money into budget for this. Also, Chris may request money for additional help towards a full measure & list. Fifty percent has already been done through abatements, building permits, and other inspections.

With no other business, on a motion by Bruce Firger, seconded by John Katz, to adjourn & go into executive session to discuss real estate & personal property abatements.
