Name of Public Body (including city/town, county or region, if applicable): Great Barrington Selectboard

Specific person(s), if any, you allege committed the violation: all board members and town manager

Description of alleged violation:

Describe the alleged violation that this complaint is about. If you believe the alleged violation was intentional, please say so and include the reasons supporting your belief.

Note: This text field has a maximum of 3000 characters.

The Selectboard at its Nov. 28 meeting endorsed a statement by the police chief and town manager about fair treatment of the public. However, the statement was presented as part of "town manager's report" and thus not listed on the agenda. The public thus had no knowledge that this would be presented, discussed or endorsed. This was a prepared statement, obviously known well before meeting. I feel it should have been an agenda item so the public had the opportunity to comment, and thus violated the Open Meeting Law. its discussion and endorsement

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

I want the Selectboard to list it as an item on the agenda for a coming meeting and to act on it after such discussion, and I want the town manager to also list as agenda items the topics she will present in her report. The public will thus be aware of what will be considered or presented during meetings.

Subject: Re: Cultural Council vacancy

Hi Rose (and everyone else),

Thank you so much for following up - I be there on Monday, December 5.

Here is a short bio about me: Charlsie Niemiec recently moved from Atlanta, Georgia to Great Barrington, MA. With a Bachelors in English from Hollins University, a small private women's college, Charlsie relocated to the Berkshires to work as the Senior Brand Manager at Kripalu Yoga + Health Center overseeing all advertising, social media, content strategy, and brand reputation management. With a background in consumer marketing and social media, Charlsie has worked for major brands such as Coca Cola, Intercontinental Hotels, and the bestselling Christmas tradition, The Elf on the Shelf. While at Elf on the Shelf, Charlsie landed the brand its very first balloon in the historic Macy's Thanksgiving Day Parade. When Charlsie is not at work, she does branding, marketing, and social media freelancing, does yoga, and finds new recipes to cook at home. Currently, Charlsie sits on the Kripalu Cultural Committee and she is looking to get involved in her local community.

Please let me know if you have any more questions for me or need anything else before Monday, December 5.

Best,
Charlsie Niemiec

The Great Barrington Tree Committee was created by the Selectboard on 4/25/2011. The original incentive for creating this committee was to form a group of knowledgeable, interested citizens to contribute to decisions on the Main Street Renovation Project, which includes the removal and replacement of Town trees. The duties, mission and responsibilities of the committee are as follows:

- to review the existing public tree inventory.
- to develop, in conjunction with the Tree Warden , the DPW Superintendent and the Parks Commission, a tree maintenance program for public trees.
- to recommend modification to the existing tree inventory.
- to develop, in conjunction with the Tree Warden, the DPW Superintendent and the Parks Commission an acceptable species list for Town plantings.
- to apply for and maintain Tree City USA designation.
- to recommend appropriate by-laws dealing with the health, preservation and protection of public trees.
- to generate an annual report on the activities and the condition of Town trees.

We join other Police Departments in the Commonwealth and our state police in making a statement on community relations.

We want our immigrant population to know that local Police will continue to be committed to building and maintaining positive relationships within the community. We will continue and always be there to serve everyone in our community and have zero tolerance for bullying or harassment.

The Great Barrington Police Department does not investigate civil immigration laws, as this role falls to the federal government. All of our residents should be completely confident that their local police department is here to assist them in a crisis situation.

Municipal police exist to ensure public safety and security, and the Town of Great Barrington has worked hard to ensure that there are strong, positive relationships among all groups in this community. We will continue in this manner moving forward.
