The Committee reviewed a sign permit application submitted on behalf Said Daemi for 322 Main Street. The applicant was not present. Mr. May said the application includes two Brama signs. They are projecting signs that are 3 feet by 1 foot. The Committee should recommend on the color of the signs. The façades will be similar.

Mr. Okerstrom Lang asked if the signs would be illuminated. He asked if the Committee could see a picture of the signs.

Ms. Milligan said it would be best for the applicant to come in to see us to tell us what he will do and how the two shingle signs would be anchored to the building.
