### **SPECIAL MEETING AGENDA - MHC DEMOLITION DELAY WORKSHOP**

Chris Skelly of the Massachusetts Historical Commission will present workshops including the process of demolition delay bylaws. The first workshop is primarily for local historical commission members interested in establishing a demolition delay bylaw in their community. However, anyone interested in understanding the basics of a demolition delay bylaw is welcome to attend. The module covers the advantages of demolition delay bylaws, the different types of demolition delay bylaws found in Massachusetts, the typical steps in a demolition delay bylaw and success stories with demolition delay from around the state.

Second session will include an informational presentation on combining memberships of historical commissions and historic district commissions.
