- Marv Schoenfeld, Lake Mansfield Lane: For many years he has seen the various seasons, traffic etc. Commends the whole process. Has been reading the editorials. Concerned about 1 way vs. 2 way because it will be harder to get back and forth to the beach. Part of the education process should be bilingual. Have to offer solutions to people on how to change their ways, how to accommodate the change. It impacts a lot of people. Remember that some people who signed petition did understand the range of issues.
- Meeting adjourned at 9:30
- Next meeting September 9th at 8:30 am

Respectfully submitted,

Amy Pulver
