AD went over the Library wish list for the Friends and answered questions from the Trustees. KP requested that any additional items that the Trustees could think of be forwarded to AD by Monday, November 14. AD requested \$90 from Mason Donations in order to purchase a bookcase to be used as a publicity area. LC made motion to approve the spending of \$90 from Mason Donations for a bookcase for a publicity area at Mason Library; AG second. Vote 5-0. AD also requested \$84.81 from the Ramsdell Improvement Fund to replace the outdoor signboard at Ramsdell. Old one is falling apart. ## News, Projects and Proposals:

❖ State Aid: We were in the first round of libraries to be certified by the Massachusetts Board of Library Commissioners at their November meeting. We will be receiving our first award of State Aid money and it is estimated to be \$5,880. The second half of the money will be determined next spring.

#### Mason:

- The photography display by Mark Chester was a big success and there were many positive comments about his work.
- HousaTonics Performance: we will be participating in the Winter Stroll on Saturday, December 10 by hosting a performance of The HousaTonics, a barbershop group. The event will take place after the library closes for the day. The circulation desks and the downstairs will be closed and the upstairs will be set up for the performance. We would like to have an "open house" atmosphere with warm drinks and small snacks. Talya and I will be at the event, helping to set up and take down as well as act as hosts. I would like to invite (and encourage) the Trustees to participate either by helping with food and drinks or by attending/hosting. (Talya's letter to the Board is attached at the end of my report.)

### \* Ramsdell:

- The Hawk and Owl Program for Kids was Ramsdell's biggest event with over 100 people attending. The birds were beautiful and the kids learned a lot about the animals.
- Our volunteer, Donna S., has been weeding the fiction collection at Ramsdell to make room for the new material coming in. Leslie has also been working on weeding the Children's area as it is full to bursting.

## Staffing:

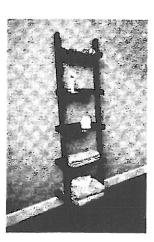

Our second part time vacancy has been filled and we have officially welcomed
 Christine and Shaylyne to our part time ranks. Christine is a jewelry maker with an
 online business and Shaylyne is a recent high school graduate who is pursuing an
 online degree in education. They both love reading and are coming up to speed
 more and more each day.

- Cheryl (full time) has started a new assignment on Tuesdays in which she will be
  working on special projects that we have not had time to pursue. She is currently
  working on identifying the local authors in our cookbook section and will next be
  looking at our travel section and recommending which guides we need to update.
- We are still short one part time person as one staff member is out on medical leave. I have been talking with Jennifer about a substitute person we can call in situations like this. I am hopeful this might also help us so that we have someone we can call when unexpected shortages come up in the future.

#### Fiscal Matters:

- Wish List for the Friends: The staff and I have come up with our FY 2017 wish list for the Friends. It is attached to the end of this report.
- We need to replace the outdoor sign board at Ramsdell as letters will not stay on it anymore. The sign is a good five years old and the weather has given it a beating. The base is fine and we can replace the board itself for \$84.81 with shipping. There is \$12,566.20 in Ramsdell Donations and \$3,033.64 left in the Ramsdell Improvement Fund.
- In an effort to better promote our library programs and holdings, Talya and I have been looking into creating a second display area at Mason. We have decided that we would like to transform the corner near the side entrance where the easel used to sit with our programming flyers. We have looked at a variety of corner and ladder bookcases that would allow us to put book or object displays up. We have found a two that we like at Amazon. They are averaging \$90 (shipping included). Could I have a motion to approve spending \$90 from Mason Donations in order to purchase one of these ladder bookcases for a display space?
