Item 1. Minutes from last meeting read.

A. The notes from the April meeting were read. It was moved that the minutes were accepted as read. It was unanimous that the note be accepted.

Item 2. Discuss the 2010 Event Progress.

A. The Selectmen have approved that blueberry committee raise funds for Oak Park Improvement and the Playground at the park. The Selectmen will match \$4,000 when we have \$4,000. The Selectmen would like the Blueberry Jamboree committee to become a subcommittee of the Oak Park Improvement Committee. A motion was made and seconded that the committee become a subcommittee. The motion passed. The members of the committee will need to stop at the town offices to be sworn in when Dee is there. The money that is made after expenses will go in to the Oak Park Fund.

B. The vendor application is now on line.

C. Animal people that have been contacted, Linda Gray and Snickers, Kathy Kelley will do Horse Shows. The committee will reach out to other animal owners from Greenfield and other nearby towns.

D. All things that have to do with Blueberries will be put in one area together. It will be called Blueberry Lane. We looked at items that Katherine brought that had to do with blueberries. We decided that possible items were notes, coffee mugs, soap, and cookbooks. Katherine will look it to the cost of these. We decided to spend up to \$200. Vendors with blueberry items could be in Blueberry Lane. We also hope to have Blueberry pies. Another suggestion was that we could ask members of the community to bake blueberry items for sale on Blueberry Lane. T-shirts would fit in at Blueberry Lane. There would be examples at the information booth.

E. The lines of vendors will be arranged in the same direction heading down to the animals. Perhaps Blueberry Lane could also be down by the animals.

F. Create Animal Exhibitor applicant. No fee Place a check box on the application for the time they would like to attend. (9 - 12), (all day). Each person must be responsible for his/her animals. Animal registration needs to be simple. We will advertise what animals will attend and when.
