The committee brainstormed things we liked about last year's jamboree and would want to keep and a few new ideas.

Mug board (have another one to go with the one we have), Be sure to let the public know about them so they can bring cameras.

Blueberry muffins (serve them earlier even before the pancake breakfast is done).

Wagon Rides Have them at about where they were last year.

Kathy Kelley's horse show in the same place as before but change the shape.

Sell Blueberry balloons this was just an idea not sure if it would be worth it.

Jarvis Adams IV will be the MC.

Blueberry lemonade was a big hit.

Baseball throws checked by police radar. A new game that is popular at the school.

Use the same Place mats because we have a lot left over and just give the advertisers a discount.

We discussed how to arrange the vendors in the field so each tent is

seen. This discussion will continue through other meetings.

Next meeting May 17th 7 PM at town offices.
