

How does growth affect our property taxes?

Do you have questions about growth in Greenfield?

Can land conservation save us money in the long-term?

How can we control growth in our town and keep our small town atmosphere?

**Tuesday, October 4th at 7:00 p.m.  
at the Greenfield Meeting House**

**Join us for**

# **The Dollars and Sense of Saving Special Places**

A lively, hour-long illustrated presentation that examines the effects of growth, the benefits of open space, the economics of land use, and funding sources available to support conservation projects.

Presented by Dijit Taylor,  
Director of the Center for Land Conservation Assistance  
at the Society for the Protection of New Hampshire Forests

*Sponsored by the Greenfield Conservation Commission*
