## **ROADSIDE ROUND-UP**

**in honor of Earth Day**  
**SUNDAY, April 21st**

**LET'S TAKE PRIDE IN THE BEAUTY OF OUR TOWN  
BY KEEPING IT CLEAN!**

On Saturday, April 21st, we will be holding the 8th Annual Roadside Round-Up in Greenfield. We hope that you will join us for just a few hours to clean up the roadside near your home. This will only take a very small part of your day. All you have to do is clean up trash wherever it is needed along your own road. You may start anytime but plan to be finished in time to attend a free meal on Sunday evening. You will find 2 blue bags enclosed for your use. There will also be items that won't fit in the bags. If you can, bring them to the Recycling Center along with your blue bags between noon and 4pm. If you can't, please leave them along the road in a pile. That's all there is to it. It's quick and easy, AND you can feel good about doing something to keep Greenfield clean and beautiful.

There are many of you that want to do more to help. If you need extra blue bags, you may find them at the Recycling Center during the week before the Round-Up. It would be greatly appreciated, if you would not only bring your full blue bags but any others you see, and any other items you see along the road, to the Recycling Center. The Conservation Commission will be collecting all the blue bags and any other debris at a special collection station right at the Recycling Center on April 21st. Look for a dumpster just for Roadside Round-Up trash. This will allow us to keep track of just how much trash we collect so that we know what a success this event has been.

All participants are invited to a free Ham & Bean Supper at 5:30pm at the Meeting House. The Woman's Club has again offered to help us by cooking and serving this hearty dinner. It is just our way of saying thank-you to all those who helped to make this Roadside Round-Up a success. To sweeten the pot, we will have some great free raffle prizes but you must be present to have a chance to win. And again this year, you can look forward to the "All You Can Eat, (until it's gone), Gutbusting Ice Cream Buffet" put on by the Planning Board. They will also be giving a special presentation at 6:30.
