12pm at Gazebo: Welcome Speech

We invite Greenfield residents, businesses, groups, committees, clubs and organizations to participate by having a tent/table set up at Oak Park to let people know who you are and what you do!

Be creative and set up your area to look like a colonial village store front or something from the early 1800's, 1900's, 1950's, 1980's, get the idea?

Do you have something to put on display? We will have areas roped off for exhibits. This will encompass the last 225 years, old and new. Think about how YOU can participate in celebrating Greenfield's history and the people who make Greenfield what it is today!
