

Conservation Commission Minutes 5-15-13

Present - Steve, Brad, Carl, Mike, Jeff + Terry

1. Steve notified he will be re signing up for another term.

2. June 1 - Boat day at Carl's house

3. Water Dept filed for a CoC at town forest.

Celebration at June 8 11-1 Expecting a meeting for WD and Selectmen.

4. Lower Center - Mike described his visit to Center St.

The culverts clogged by mud and 2 boats were chained to trees on our property. Mike intends to speak to the police about it. Steve went to see Bob A

earlier tonight. He suggests we ask him to put up no boat launch sign and beaver deciever or similar device in letter. Motion by Mike to send letter and ask for an alternative to us by June 19. Clean culvert asap.

5-0-1

5. 7:38pm Open Hearing for NOI Repair Project on Sewell St.

a. Since last meeting wetlands have been delineated

b. All limits of fill were outside of the 100 ft buffer

c. Intend to fix retention pond - see detailed plan

fix slopes and place compacted fill to make uniform height all around pond soft wide w/ 1 foot of crushed stone at outlet. Silt will be removed from pond.

d. we would like the end of Sewell St blocked off

and no trespassing signs placed to prevent vandalism.

e. Mike asked is any silt carry of the quarry
An interceptor ditch will be built at the back of the hill and empty into the retention pond
The will send us a plan that includes the interceptor ditch and other functions outside of the 100 ft buffer that we supposed to prevent any sedimentation from ~~carry~~ carry off the quarry.

f. we would like more hay bales extended on the retention pond. See plan with notes on location.

g. There must be a maintenance plan for the retention pond presented by the applicant

h. Paul Debnise spoke - He saw when the stone was removed and there was not silt at that time. He is encouraged by new approach. He has concerns He wants the pond removed from his land. He wants the piles of silt removed from his land.

Should we move the pond over one acre onto GRT land?

How high will the land be filled, what will the height be? Continue to next meeting -

Next 6/26 7:30 Site walk 6/22 8:30am
Will prep plan with changes including moving pond and feeds into pond.

6. 8 Dewhurst St no one present - 6/22/13 continued
Terry time to capture, Bond seal 6-0

7. Carl Keene recused himself and moved to the other side of the table. He explained his visit to the planning board. The PB wanted to know about swales and agreed to pursue implementation of all swales. They also asked for a covenant. They want input from us on maintenance.

8. Motion to close the meeting at 8:45 pm by Terry and seconded by Steve. Unanimous.
