2. Clare Walsh care to talk about a Fleamarket at the bottom of Vessey Hill lawn. It would be sponsored by Friends of Vessey Park and all funds would be used to support capital improvements at the park.

The market would be 1 weekend day per week up to 24 weeks per year. Porta Pottys would be placed at the bottom of the hill.

No trace must be left on the site. What if the grass gets damaged - they must repair it. We want to avoid damage to the trees

We want a public hearing on June 26. With notification be mail to abutters.

Mike to send forms to Clare for mailing.
