1. Bill Daly from R&D came in to discuss concerns over the Pines Construction plan and to understand the Rec Committee's involvement with the project. It was decided that a meeting with Bill Dunn should be requested to discuss further. Questions remain, in particular – what is left of the maintenance fund, and what is left to still be paid.
2. Going forward, all coaches must have first aid and concussion training per the insurance company. We will discuss a plan of action to accomplish this going forward.
3. Basketball – all is good, just a few weeks left in the season.
