VOTED: To accept the Minutes of the meeting of November 7, 2011,

Finance Director

Finance Director Labrecque had asked to speak with the Board regarding his position with the town. Labrecque told the Board that he had made a mistake; that he should not have accepted the position in Lowell and he asked the Board to allow him to return to his former full-time position with Groveland. Labrecque also told the board that he had underestimated the time he would need to keep his work here up to speed working on a part-time schedule. Following brief further discussion, Darke moved, Greaney seconded, and it was

VOTED: To approve Greg Labrecque returning to his full-time position
of Finance Director with the town.

Property Use Permit

Selectmen signed several Property Use Permits.

Correspondence

Selectmen reviewed weekly correspondence.

Adjournment

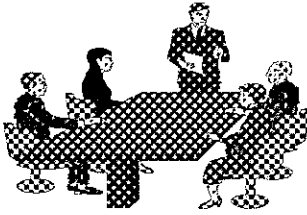

There being no further business to come before the Board, moved Greaney,
seconded Gorski, and it was

VOTED: To adjourn.

Adjourned at 6:29 P.M.

Respectfully submitted,

Nancy Lewandowski

AGENDA ITEMS

6:30 PM – Representative from each Board/Committee/Department to give a five minute update on projects/goings on before their boards/committees/departments

Planning Board Chairman to present their recommendation for proposed changes to a section of Center Street between School and Washington Streets **(I was informed late morning that the Planning Board will not be attending the All Boards meeting.)** I also received an email at 2:30 pm from the Manager of the Light Department who states he and the Commissioners will not be attending; that the invitation is appreciated; however, they feel that as they no longer have an interest in the Mattingly property, the agenda has no items relating to the Light Department. It is my understanding that Kermit will be attending; however, not in the capacity of a Light Department representative.)

Mrs. Ruth Mattingly and family member(s) – to discuss various parcels of land she owns in town
