BOARD OF SELECTMEN
WORK SESSION MINUTES

MARCH 5, 2011

Meeting called to order at 8:04 A.M. at Town Hall.

Present Elizabeth A. Gorski, William H. Darke and Chairman Donald N. Greaney.

The Board met with Building Inspector Pat Schena and discussed the town's current needs and what the town's future direction should be as it relates to his department. Schena will gather some information for the Board and get back to them so they can finalize their plans.

Chairman Greaney informed his fellow Board members that Georgetown Selectmen had invited Groveland Selectmen to a breakfast meeting in Byfield on March 12th in order to share ideas of how we might share some town positions/services in order to save money and help both towns through these tough economic times.

Greaney also reported that Town Counsel Maser requested authorization to expend approximately \$900 to order a court transcript of the hearing on March 4, 2011 in the matter of Teamsters, Local 170 and Town of Groveland (MUP-09-5636) and the Board agreed that Maser be approved to do so. Greaney will ask the Board's Assistant to contact Maser and approve his request and to ask Maser to meet with the Board to update them on the ongoing legal matters he is handling for the town.

The Board briefly discussed Johnson Pond and Selectman Darke recalled a committee report was done on the use of the pond back in the early to mid 1990's. Chairman Greaney will ask the Board's Assistant if she can locate the report for the Board to review.
