

MAPLE FOODS – ALCOHOL LICENSE
CHANGE IN SUNDAY HOURS FOR SALES

Maple Foods wishes to sell alcoholic beverages (off-premise) at 10:00 a.m. on Sundays. The change in hours is permitted under a new law that was enacted in the last State legislative session. The request is automatically granted, but the Local Licensing Authority (the Select Board in this case) is required to be notified.

Please acknowledge the application and send it to the Alcoholic Beverages Control Commission for their files.
