

**MINUTES OF THE
HALIFAX CONSERVATION COMMISSION
January 19, 2016**

A meeting of the Halifax Conservation Commission was held on Tuesday, January 19, 2016, in the Conservation Commission office. Chairperson Tina Tonello opened the meeting at 7:00pm.

In Attendance: Tina Tonello, Chairperson; Gerry Fitzgerald, Vice Chairperson; Kathy Evans, Member; Chris Hadorn, Associate Member.

Hearings and Discussions:

Open 7:00 – Discussion – 413 Plymouth St.

Mr. Tony Giannetti was present to discuss the violation that was issued to him in regards to the storage containers located in the wetlands on the property that his business, Hollywood Hotrods East rents. He claims that the containers are his fathers, however Allied must have been the ones to cut the wetlands, he did not. Tina explained that she believes that most of the building is within the BVW so there is not a lot of room to work with. Mr. Giannetti will measure from the edge of the creek and see roughly how much room there is, but everyone was in agreement that most of the storage containers would need to be removed from the property. The container on the right and behind the building would definitely need to be removed. He will notify Kendra when that has been completed.
