Others in Attendance:

Chairman Gordon Andrews opened the meeting at 7:25pm.

There is a conflict with meeting rooms for the evening of 10/5/15. The ZBA would like to use the Selectmen's Meeting Room. The Finance Committee was in agreement to switch rooms if they needed to do so.

The wrong paperwork has been submitted for the funding for the roof on the Elementary School. They will need a funding source for FY17 but won't know a % that we will get back until July. It is expected that it will be somewhere between 30% and 80%.

Meeting adjourned to Special Town Meeting at 7:28 pm.

Respectfully Submitted,

Margaret Fitzgerald
Corresponding Clerk
