DRAFT

PRESENT: L. M. Smith, Chairman; E. B. Beattie, Vice Chairman; L. Gargiulo, Selectman;
L. A. Ruest, Town Administrator; R. Hilliard, Road Agent

ROADSIDE BRUSH CUTTING AND MOWING: The Road Agent reported that he has received a price of \$6,000 from D. Sewall to perform roadside brush removal and mowing of the highlighted through roads previously approved by the Board of Selectmen. The work will entail cutting brush 10' high, as well as branches that may affect the school bus, and mowing the shoulders. The contractor is available the week of August 5 to perform the work.

REMOVAL OF BRUSH FROM ROADSIDES (STORM DEBRIS): This work does not include removal of storm debris or other downed trees.

The Board gave consideration to the price and timing of the work and noted that given the lack of available pricing or interest in providing prices, it is best to proceed with this work so as to not defer this annual maintenance any longer.

MOTION: To contract with Dan Sewall to perform the roadside brush cutting and mowing work on through roads as shown on the color highlighted map for \$6,000.
