

HAMPTON FALLS CEMETERY TRUSTEES MEETING (SPECIAL)

Draft

May 16, 2017

1:00 p.m.

Present: J. Bohm, F. Brown, T.H. Beattie, G. Swain.

Special meeting to address road repairs at West View.

OLD BUSINESS;

The committee met with D. Syvinski at West View cemetery on May 8, 2017. D. Syvinski told us he has a source of brown gravel that will match the current dirt. The main entrance and exit roads need to be repaired before Memorial Day as the ruts have become very deep. Each driveway is approximately 350ft long. J. Bohm received a quote from D. Syvinski for \$6,100.00. F. Brown got a second opinion and this seems a fair sum.

NEW BUSINESS;

A motion was made by T.H. Beattie to take \$6,100 from the budget to up grade the two roads in West View. Motion seconded by F. Brown, with work to be completed before Memorial Day. So voted. J. Bohm will contact D. Syvinski and give him the go ahead.

J. Bohm spoke to P. Hughes about his request for curbing around the family lot. P. Hughes is to submit a plan for such at the July meeting.

The sexton reported that the Hawes cemetery has not been mowed yet but that she has picked up the fallen tree branches.

F. Brown reported that the stump in front of West View has not been removed yet by the town as we were told it would be by R. McDermott.

Meeting adjourned at 2:45 p.m.

Respectfully submitted
